

Great Lakes Dredging Team 2016 Annual Meeting

Role of Ports and Communities in Advancing Beneficial Use Projects

Joe Cappel, VP Business Development

Ports

- **Once you've seen a port, you've seen a port...but, all ports have something in common**
- **Ports rely on partnerships to implement priority projects**

Teamwork

- **Choose the right project**
- **Assemble the right team**
- **Present and discuss projects in the appropriate forums**
- **Emphasize benefits of project to the community**

What can Ports and Communities bring to the table?

- **Administrative Services**
- **Land**
- **Transportation Knowledge/Assets**
- **Network**
- **Public Outreach**
- **Political Support**
