Collecting the Data

- **Observe**- View the road way, the culvert, stream/river and the surroundings
- **Measure**- Take all required and obtainable measurements
- **Inventory**- Once the data is collected log the information onto the inventory sheet
- **Additional information**- take notes or sketch any additional information you might notice at the site
- **Pictures**- Take the required pictures of the stream, road, and culvert conditions for your records

What are we looking for?

A large, leafy tree stands in the center of a grassy field. The sky is bright blue with scattered white clouds, and the sun is shining from the upper left, creating a lens flare effect. The overall scene is peaceful and natural.

Strengthening partnerships

- Volunteers
- Community Members
- Drain Commissioner
- Road Commissioner
- County Commissioners
