

SPRING PHOSPHORUS

2018 spring sample turn-in dates and locations

Volunteers must sample on a date of their choosing, when safe, within 2 weeks of ice-out. The CLMP's goal is for the sample to reflect the spring turn-over, which occurs right after ice-out. After sampling, freeze the sample and turn it in on **June 19, 2018**. Samples must be turned in **8am-noon**. The turn-in location depends on your County and is given below in the tables. Call the appropriate phone below if other arrangements must be made.

PLEASE NOTE: If you are enrolled in the Chlorophyll parameter, you need to turn in your May and June samples at the same time you turn in the spring phosphorus sample.

COUNTY	TURN-IN ADDRESS	SAMPLING DATES	TURN-IN DATE
ALL COUNTIES	See below	Within 2 weeks of ice-out, when conditions are safe	8am - Noon June 19
